**V2**

I'm at the carpark, the airport, the baggage carousel  
The people keep on grabbing, ain't wishing I was well  
I said, "It's no occasion, it's no story I can tell"  
At my bedside, empty pocket, a foot without a sock  
Your body gets much closer  
I fumble for the clock  
Alarmed by the seduction  
I wish that it would stop

**CHORUS**

**V3** (*just a half verse*)

I bought a novel, some perfume, a fortune over you  
But it's not my conscience that hates to be untrue  
I asked of my reflection, "tell me what is there to do"

**CHORUS & OUT** / *End on B*
